Dear Friend,

Thank you for contacting me in support of H.R. 1670 and H.R. 1721, the Community Choice Act and CLASS Act, respectively. I share your support for these bills to give greatly needed attendant and health insurance services to individuals with disabilities in communities across the country. I strongly believe these individuals must be provided with more access to community participation, education, and employment so that they may have an equal opportunity to achieve the American dream. I have signed on as a cosponsor of both pieces of legislation and will be working with my colleagues for their passage.

Sincerely,
